

## Irrigation Preferred Care Program

As a homeowner, you take pride in the appearance of your home and landscape. Arbor Masters Tree & Landscape understands the importance of making you look good on the outside by keeping your lawn and gardens healthy and green throughout the year. Arbor Masters Tree & Landscape offers not only design and installation of new irrigation systems, but has also created the new **Irrigation Preferred Care Program** for existing irrigation systems.

Customers participating in the **Irrigation Preferred Care Program** can select from our **Silver**, **Gold** or **Platinum** package, each tailored to your irrigation needs. These packages provide a \$20-\$50 savings off the normal price.
